Thrive AirLink™ Early Access Program Agreement

Thrive Smart Systems | Terms of Participation

This Early Access Program Agreement (the "Agreement") is entered into between Thrive Smart Systems ("Thrive") and the undersigned participant ("Participant"), and governs Participant's enrollment in the Thrive AirLink™ Early Access Program (the "Program"). Signing this Agreement places an order at the prices shown below. Thrive schedules the order for production once the fifty percent (50%) deposit described in Section 2 is received.

1. Pricing and Inclusions

1.1 Pricing for units purchased under this Agreement is as follows:

SKU	List Price	Early Access Price (20% off list)	Controller Subscription
TAL-100 (AirLink 1 Station)	$320.00	**$256.00**	**Free for 2 years**
TAL-200 (AirLink 2 Station)	$343.00	**$274.40**	**Free for 2 years**
TAL-400 (AirLink 4 Station)	$377.00	**$301.60**	**Free for 2 years**

1.2 The twenty percent (20%) Early Access discount applies only to units ordered under this Agreement.

1.3 Each AirLink unit includes an antenna. No other hardware is included, including but not limited to DC solenoids, batteries, DBYs, and valve boxes.

1.4 Controller subscription costs otherwise charged through the Thrive App are waived for two (2) years from the date of delivery for each unit purchased under this Agreement.

1.5 Each AirLink unit purchased under this Agreement carries a two (2) year limited warranty from the date of delivery.

2. Payment Terms

2.1 A deposit of fifty percent (50%) of the total order value is required to reserve Participant's place in the Program.

2.2 The remaining fifty percent (50%) is due upon delivery.

2.3 All payments shall be made directly to Thrive Smart Systems.

3. Distribution

3.1 Thrive honors its distribution partners. Participant shall identify the distributor and branch that will fulfill the order, along with a contact name and phone number or email address.

3.2 A current list of authorized distributors is available on the Thrive website.

3.3 Thrive will notify Participant upon shipment and confirm when units are available for pickup at the designated branch.

4. Order and Delivery

4.1 Units are produced in batches. Larger orders are fulfilled first, then the rest in the order received.

4.2 Delivery timing may vary. Thrive anticipates delivery to all Early Access Partners before February 28, 2027, and will notify Participant of any material change.

5. Program Conditions

5.1 Participant will be notified when the Program concludes.

5.2 Participant agrees to report any product issues or defects to Thrive in a timely manner, participate in periodic feedback surveys, and permit reasonable monitoring of product performance during the Program.

6. Confidentiality

6.1 "Confidential Information" means all non-public information about the AirLink product, including design, firmware, features, pricing, and any test results, images, or performance data from Participant's use of the units.

6.2 Participant shall keep Confidential Information in confidence and shall not publish, post, demonstrate, or disclose it to any third party until the product is publicly available or Thrive consents in writing. Participant may share it with employees who need it to operate the units and is responsible for their compliance.

6.3 This Section does not cover information that becomes public through no act of Participant, or that Participant must disclose by law after notifying Thrive. Confidential Information remains Thrive's property. This Section 6 is the non-disclosure agreement for the Program and survives its conclusion.
